WHO REALLY IS THIS COACH:

Now that the coach has put you the player on the hot seat maybe it's time to learn a little about what kind of coach you might be playing for.

One of the things I always recommend is this. Go on to the web site of this college team that you might be thinking of going to and go into the box scores. Check out the starters for some of the games? Did the coach start the same players the 2nd game as coach did the first game?
